BLAST INJURES BISBEE MINER

Frank Edwards May Lose a Leg and One Eye-News Notes From Bisbee.

Bisbee, Ariz. April 16 .- Frank Edvards, a miner, was seriously hurt at the Lowell shaft by the explosion of a buried shot. Edwards accidentally struck the concealed cartridge with his pick and when rescued by other miners he was unconscious under a mass of rocks and debris. At the hospital, where he was immediately taken, the doctors stated that the man will probably live, but he will lose an eye and a

Dick Liddicote, employed as a miner at the Holbrook shaft, was taken to Copper Queen hospital for treatment. Liddicote was hurt while working by a rock falling on him.

Frank Seltz, formerly a resident of Bisbee, now owner of a big ranch in Sulphur Springs valley, states that he has outlined a plan of obtaining water through artesian wells, and is trying to interest the government in sinking the

uptodate residence, bungalow style, is to be erected by the Bisbee Im-provement company at Lowell, near the Copper Queen hospital. The building, when completed, will cost over \$3000 Glen Stevens, of El Paso, Texas, and Miss May Barber were married by jus-

GET CONCESSION FOR LIGHT PLANTS

Novia Scotia Company Is to Make Improvements in Mexico Cities.

Chihuahua, Mexico, April 16.—The state government of Chihuahua has just granted 10 concessions to the Mexican Securities Corporated, Ilmited, of Hali-fax, Nova Scotla, to establish in 10 towns of this state electric lighting and power systems.

The towns are: Santa Barbara, Villa Escobedo and Zaragoza in the district of Hidalgo del Parral; Sancillo, San Francisco de Conchos, Rosales, Naica and Meoqui in the district of Camargo; and Olda and Santa Eulalia in the dis-trict of Iturbide,

The concessions provide that the condessionaire company must have electric light and power in the towns named within one year from the time of the completion of the dam and hidro-electric power plant to be built by the Mexican Northern Power company, of Montreal,

G. F. Greenwood, of Montreal, president of the latter company, stated when here that he expected the dam and pow-er plant, the building which are already contracted for, to be completed in 1912.

GERMAN COLONY TO ERECT

NEW SCHOOL AT CHIRCAHUA Chihuahua, Mexico, April 16 .- The lo cal German colony which has maintained a flourishing school, has decided to erect a school building of its own at a cost of 20,000 pesos. Some philanthropic person who has not allowed his or her name to be made public, has donated a lot of 4000 square meters for

The colony is beginning to colleca building fund and to this end will give an entertainment in the Salon Blanco of the state theater Saturday evening. The German government gives the colony 2000 marcs annually toward the support of this school.

Celebrated His Golden Wedding

Although Mr. Foster, a well-Known Undertaker of Jersey City Heights, N. J., Has been Exposed to Every Kind of Contagious Disease, He Has Always Enjoyed the Best of Health. He Is Now 74 Years of Age.

Duffy's Pure Malt Whisky Is His Only Medicine, and It Keeps His System In Such Perfect Condition That It Wards Off the Attacks of All the Germs With Which His Business Brings Him In Contact.

He recently wrote: "I have used

Duffy's Pure Malt Whisky for a great many years and have found it to be the best tonic stimulant for old people. I am 74 years old, have been in the un-dertaking business 55 years and have exposed myself to every known conta gious disease, but I have never taken anything to prevent contagion except Duffy's Pure Malt Whisky in small doses as a tonic. I have found that your whisky keeps me in the best of health. On January 30, 1910, my wife and I celebrated our Golden Anniversary. I sincerely hope my letter will convince others that Duffy's Pure Mait Whisky is a great blessing and help to those along in years."-David Foster, 589 Palisade Ave., Jersey City Heights

Duffy's Pure Mait Whiskey

is an absolutely pure distillation matted grain. Its palatability and its freedom from injurious substances render it so that it can be retained by the most sensitive stomach. It has been the standard of purity and excellence for fifty years and is an absolutely pure, gentle and invigorating tonic and stimulant. It aids in destroying disease, and by its building and healing properties assists in restoring tissues in a gradual, healthy, natural manner. Prescribed by physicians and recognized as a family medicine everywhere.

CAUTION .- When you ask your drug gist, grocer or dealer for Duffy's Pure Mult Whisky, be sure you get the genuice. It is an absolutely pure medici-nal mait whisky and is sold in SEALED BOTTLES ONLY-never in bulk. Look for the trade mark, the "Old Chemist," on the label, and make sure the seal over the cork is unbroken. Price \$1.00 n large bottle. Write Medical Department, The Duffy Malt Whisky Co., Rochester, N. Y., for an illustrated medfeel booklet, containing testimonials and rare common sense rules for health and doctor's advice, both sent free.

MINING NEWS. INSPECT MINE IN THE

LORDSBURG, N. M., DISTRICT J. H. Willoughby of Pennsylvania Says Monte Rico Company Will Instal 60 Ton Plant.

J. H. Willoughby, of Washington, Pa. of the Monte Rico Mining & Milling company, of the Pyramid mining distriet, near Lordsburg, N. M., and I. W. Stahl, of Latrobe, Pa., have been visiting the properties of the company.

According to Mr. Willoughby the miners on the property are doing good panies adjoining the property he says are the \$5, the Miser's Chest, the Bonny the Superior the Aberta, the fair; warmer. Bonny, the Superior, the Aberdeen and

the Nelly Bly. The Monte Rico Mining & Milling 13.2 feet. company will during the coming summer erect a concentrating mill and instal all the necessary machinery for a 60 ton plant, Mr. Willoughby says.

EL PASOAN WELL PLEASED WITH SONORA STRIKE

J. B. Tomlinson, mining angineer of El Paso, now in Mohave county, Ariz., is quoted by the Prescott Courier as the discovery made Carlos Soto, near Naco Chico, Son., as far the most promising virgin mineral find made in many years in that state.

The discovery is located 80 miles southeast of Moctezuma, and the trail to it is lined with packtrains carrying in supplies for the establishment of

Soto is said to have refused a cash offer of \$600,000 for the property, al-though little work has been done. The veins are said to be very wide, con-sidering the rich gold and silver values

EL PASOANS MAKING STEADY SHIPMENTS FROM MINE

The Hershall Mining company besides making regular shipments of high grade ore from its properties in the Tombstone district to the smelter at El Paso, is also shipping, at the rate of a carload a day, silicious ore smelter at Sasco, Ariz., where it is used

for converter lining.

According to the Tombstone Prospector there are about 2000 tons of this quality ore on the Hershall dumps the Sasco smelter. to be shipped to the Sasco smelter. Douglas Gray is the general manager and the property is owned by El Paso

AMERICAN CAPITAL ENTERING REYES DISTRICT OF MEXICO

Torreon, Mex., April 16 .- There is at present a general influx of American capital into the Reyes mining district lying near the border of the states of Durango and Zacatecas. They are attracted there on account of the gold which occurs in nearly all of the ore

E. L. DeRoux, who has been operating several gold properties in that dis-trict, has made a recent denouncement of three pertenencias adjoining the "Es-peranza" and "La Bonanza" mines.

GREENE GOLD & SILVER PLANS ELECTRICAL PLANT

A letter received rom Lieut, H. O Flipper by a man in El Paso states that the Greene Gold & Silver company is getting into shape. Extensive work will not be commenced till after the rainy season. Then the company expects to put in an electric plant at the Durazano gold mine, using wood for

Lieut. Flipper is now busy in surveying the company's properties.

WARRIOR IS SHIPPING

ORE TO EL PASO SMELTER Four six-horse teams are hauling ore from the Warrior mine to Miami station, Arizona. The tonnage shipped per day amounts to 105 tons of chrysocalla ore, assayiny 914 percent copper, says the Golbe Silver Belt. The ore is being shipped to the El Paso smelter. The ap-pearance of the ore in the smelter bins is like turquoise.

SHANNON IS RUSHING

WORK ON ORE BINS The Shannon Copper company, north of Clifton, Ariz., is reported to be rushing construction work on its new ore lines above the concentrating plant. The new railroad will connect with and above the bins for convenience in unloading cars. A new crushing plant will be in-

stalled below the bins.

SUPERIOR & PITTSBURG
INCREASES PRODUCTION
In the annual report of the Superior
& Pittsburg Copper company, president Charles Briggs states that the average number of men employed was 554. The total number of teet opened in development work was 26.827. The refined copper produced was 24,325,667 pounds being an increase of 11.47 percent over the production of the preceding year.
